

Installation Guide

JD Sound-Gard Instructional Seat (PN: 8292)

Designed to replace the existing left-hand side armrest of the original JD Personal Posture seat in the form of an instructional seat to add comfort for your buddy while you're busy at work.

Removing Personal Posture Armrest

1. Use a 1/4" Allen wrench to remove two allen bolts (A) that attach armrest to seat bracket; then remove armrest
2. Use a 9/16" wrench to remove two machine bolts from seat bracket (B)

Installing Instructional Seat

1. Complete installation by inserting provided bolts (3/8"x16x2", 3/8"x16x3") through Instructional Seat into seat bracket holes and tighten. (Armrest holes will not be used.)
