

Universal Mini Skid Steer

Quick Attach Plate

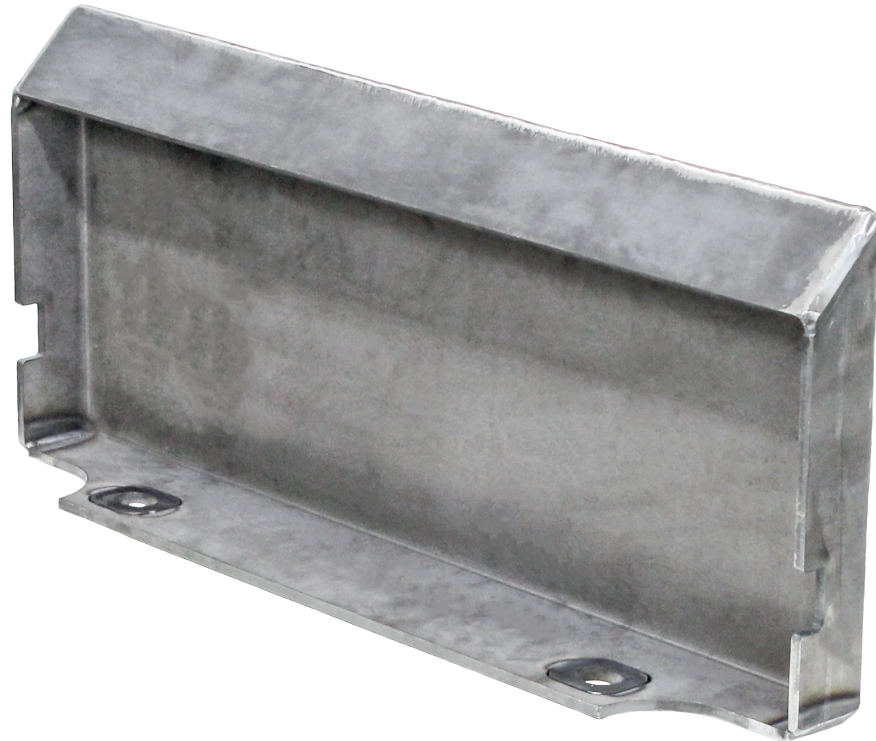

Universal Mini
Skid Steer Plate
PN: 1063

APPLICATIONS INCLUDE

Mini Skid Steers

Plate mounts easily to mini skid steers or loaders that use the standard universal quick attachment.

PERFECT FOR MINI SKID STEERS THAT USE THE QUICK ATTACH PLATE.

The KM Universal Mini Skid Steer Quick-Attach Plate is constructed from 1/4" thick steel. Use it to make your own attachment or to make your old attachments fit! Compatible with Boxer®, Ditch Witch®, Kanga®, Ram Rod®, Thomas®, Toro Dingo®, Vermeer®, and many other mini skid steer loader brands.

Features:

- Heavy-duty construction
- 1/4" thick steel
- 24" x 10.25" (W xH)
- Weld to existing attachment
- Unfinished plate
